Assistant Commissioner for Patents
Washington, DC 20231

April 30, 2003

Sir:

Concurrent with Applicants' Request for Continued Examination (RCE) under 37 C.F.R. § 1.114, the following preliminary amendments and remarks are respectfully submitted in connection with the above-identified application.

IN THE CLAIMS

The claims are amended as follows:

C
1. (Amended) A sustained release preparation of a lipophilic drug, comprising a drug dispersion wherein the lipophilic drug and a water-soluble substance are dispersed, as a solid particle at the body temperature of an animal or a human being to which the preparation is to be administered, in a water-impermeable and biocompatible material.
